Mrs. William A. Read
4 East 62nd Street
New York City

Dear Madam:

One of our members is asking whether there is any possibilityy of his securing for his collection a copy of the medal struck for the Coast Patrol Unit, No.1. His ccollection will ultimately become a public one, and there is no commercialism behind the enquiry.

In some cases, with medals such as this, copies have been struck and marked to distinguish them from those given to persons entitled to them.

Any expense would, of course, be borne by the enquirer.

Very truly yours,

Secretary
